# SOUTHPORT LOGISTICS PARK

1300 Fulghum Road, Wilmer, TX 75172

## BUILDING/SITE INFORMATION - BUILDING 3

Southport Logistics Park (Southport) is a 252-acre master-planned logistics destination within the South Dallas submarket of the DFW metroplex, positioned directly along Interstate 45 and across from the Union Pacific Intermodal yard.

At full build-out Southport can house over 3.55 million square feet of Class-A industrial space. Southport currently houses 1.5 million square feet under two buildings, a 400,000 square foot cross-docked facility leased to an operating subsidiary of a Fortune 100 eCommerce company; and a 1.1 million square foot cross-docked facility leased to an iconic American consumer packaged goods manufacturer.

Located one mile east of Interstate 45 and the Union Pacific Intermodal, and five miles south of Interstate 20, Southport offers tenants a premier logistics location within Dallas-Fort Worth. Less than 48 hours from every major market in North America, it's the perfect logistics and manufacturing center for all types of operations, big or small.

- 1,039,360 sf (expandable by 194,880 sf)
- 189 dock doors
- 255 trailer parking spots (55 future)
- 307 car parking spots (357 future)
- ESFR fire suppression system
- Proven workforce density and demographics for labor intensive operations
