

## BUILDING 1 | AVAILABLE JANUARY 2025

Southport Logistics Park (“Southport”) is a 252-acre master-planned logistics destination within the South Dallas submarket of the DFW metroplex, positioned directly along Interstate 45 and across from the Union Pacific Intermodal yard.

At full build-out, Southport can house over 3.55 million square feet of Class-A industrial space. Southport currently houses 1.5 million square feet under two buildings, a 400,000 square foot cross-docked facility leased to an operating subsidiary of a Fortune 100 eCommerce company; and a 1.1 million square foot cross-docked facility.

Located one mile east of Interstate 45 and the Union Pacific Intermodal, and five miles south of Interstate 20, Southport offers tenants a premier logistics location within Dallas-Fort Worth. Less than 48 hours from every major market in North America, it's the perfect logistics and manufacturing center for all types of operations, big or small.
