DELIVERY ZONE DRIVE TIMES

ONE & TWO DAY DELIVERY ZONES

West Valley is home to 1.7 million residents and will capture more than 50% of the county's future growth. The most recent and active West Valley Frontier is along the Loop 303 regional corridor.

This 34-mile-long corridor connects Maricopa County to other markets, including California, Central Phoenix, and Northern Arizona. This corridor is developing strategically with an eye to beneficial land use, consumer-driven needs and community values. Goodyear and Glendale have used this section of the freeway corridor to promote the growth of manufacturing and supply chain companies, capitalizing on their location as well as permitted land use in respect to neighboring Luke Air Force Base.
